Paul & Linda:

The United Way Day of Caring is a yearly event sponsored by the United Way of York County, Maine. They provide volunteers from local businesses for a workday of various projects at non-profit organizations.

We had over 90 volunteers come on June 9, 2010 to clean up our camp area, paint, plant flowers, complete several building projects and landscape in order to maintain our YMCA for the community.

We would like to take this opportunity to thank you for your generous donation of flowers. They add so much to the entrance of the building. We appreciate the continued support that you show the Northern York County Family YMCA each year.

With much appreciation,

Michelle Sawyer
Director of Development
